Service Excellence Award

Presented To:

Larissa Dias

In Recognition of Service Excellence at CBC

Provide a brief description of how nominee demonstrates service excellence at Coastal Bend College:

Larissa is a superb example of the hardworking, caring faculty at CBC. While teaching five different science courses, she has been hard at work implementing the new BIOL 1408 class format that she spent hours designing in the past year. Even though she is so busy, she always has time for her students and knows each one by name. She spends much of her time planning classes that are both informative, of course, but also engaging. Larissa is one of the hardest working people I have ever had the pleasure to work with, but the best part is that she does everything with a smile. She is truly a great teacher and motivates those around her to have a great attitude as well.

Excellence then, is not a single act, but a habit."
