

Form I-9 Completion for Employees in Remote Locations

The U.S. Citizenship and Immigration Services requires all employees to complete the Employment Eligibility Verification Form I-9 and present original documents establishing identity and employment eligibility by no later than close of business on the employee's third day of employment.

It is becoming more common for departments to hire employees who will work at a remote or off-site location, and who are not physically available to present the document(s) for inspection. Additionally, an employee may be hired in advance of physically presenting him/herself at the campus location.

A process has been established to facilitate employer review and verification (completion of Section 2 or 3 on the Form I-9) for employees in remote locations. The employee must complete Section 1 of the Form I-9, and then he or she may present the document(s) to a notary public who will complete Section 2 or 3 of the form.

Follow the steps below to complete this process:

1. Provide the employee with the Form I-9 Completion for Employees in Remote Locations: Instructions for Employees and the following forms:
 - A blank copy of the **Form I-9**.
 - A blank copy of the **Notary Form**.
 - The College's Instructions to the Notary**, which includes the **Remote New Hire Notice Form**. Complete the information on these two pages and fax them to the employee. You may also wish to provide the employee with a postage paid envelope in which to return the completed forms to your department.
2. Instruct the employee to complete Section 1 of the Form I-9 by no later than the close of business on his/her first day of work.
3. Instruct the employee to take all of the above forms and his or her original identity/employment eligibility document(s) (as listed on page 3 of the Form I-9) to a Notary Public.
4. The employee will present his or her original identity/employment eligibility document(s) to the Notary.
5. The Notary Public will inspect the document(s) and complete Section 2 or 3 of the Form I-9. The Notary Public will also complete the Notary Form and affix the notary seal on the Notary Form. This must be completed by no later than close of business on the employee's third day of employment.
6. The employee must pay the Notary Public's fee for services (generally \$15 - \$20) and retain a receipt for reimbursement.
7. The employee must mail the completed Form I-9, and completed and notarized Notary Form, back to the Personnel Office. The employee should also submit the receipt for Notary services to the Personnel Office for reimbursement.
8. The original Form I-9 and the Notary Form will be kept together and maintained by the Personnel Office.

The U.S. Citizenship and Immigration Services allows employers to utilize a process such as this to designate agents to complete the Form I-9. As a business practice, Coastal Bend College limits the designation of such agents only to Notaries Public. The following excerpt from the U.S. Citizenship and Immigration Services web site article "About Form I-9, Employment Eligibility Verification" provides guidance in this area:

REMOTE HIRES

It is not unusual for a U.S. employer to hire a new employee who doesn't physically come to that employer's offices to complete paperwork. In such cases, employers may designate agents to carry out their I-9 responsibilities. Agents may include notaries public, accountants, attorneys, personnel officers, foremen, etc. An employer should choose an agent cautiously, since it will be held responsible for the actions of that agent. **Note:** Employers should not carry out I-9 responsibilities by means of documents faxed by a new employee or through identifying numbers appearing acceptable documents. The employer must review original documents. Likewise, Forms I-9 should not be mailed to a new employee to complete Section 2 himself or herself.

Form I-9 Completion for Employees in Remote Locations

Instructions for Employees

The U.S. Citizenship and Immigration Services requires all employees to complete the Employment Eligibility Verification Form I-9 and present original documents to their employer establishing identity and employment eligibility by no later than close of business on your third day of employment.

If you have been hired to work at a remote or off-site location and/or you are not physically available on campus to present the document(s) to your employing department for inspection, a procedure has been established to facilitate this process for employees in remote locations.

Follow the steps below to complete this process:

- 1) The Personnel Office will provide the following forms (or instruct you to print them from the web):
 - a. A blank copy of the **Form I-9**. You can print the 3-page form using the following web address: <http://www.coastalbend.edu> (click on the drop down menu, choose Personnel Services; click on the link at the top for New Hire Forms, then choose the I-9 Form at the right)
 - b. A blank copy of the **Notary Form**.
 - c. The **College's Instructions to the Notary**, which includes the **Remote New Hire Notice Form**. The Personnel Office completes information on these documents and must provide them to you.
- 2) Fill out section 1 of the Form I-9 by no later than the close of business on your first day of work.
- 3) Take all of the above forms and your original identity/employment eligibility document(s) (as listed on page 3 of the form I-9) to a Notary Public.
- 4) At the Notary Public's office, present your original identity/employment eligibility document(s) to the Notary. You must present original identity/eligibility documents - photocopies are not acceptable. *Note: Only original documents (not necessarily the first document of its kind ever issued, but an actual document issued by the issuing authority) are satisfactory, with the single exception of a certified photocopy of a birth certificate.*
- 5) The Notary Public will inspect the document(s) and complete Section 2 or 3 of the Form I-9.
- 6) The Notary Public will also complete the Notary Form and affix the notary seal on the Notary Form.
- 7) You must pay the Notary Public's fee for services (generally \$15 - \$20) and retain a receipt for reimbursement.
- 8) You must mail the completed I-9 and notarized Notary Form back to the Personnel Office. **Note:** *You must mail the originals. Federal law requires your hiring department to retain the original forms.*
- 9) You may also submit the receipt for Notary services to the Personnel Office for reimbursement.

Important! *It is imperative that this process be completed as expeditiously as possible. The form I-9 requirements must be completed by you (Section 1) no later than the close of business on your first day of work, and by the Notary Public (Section 2 or 3) no later than the close of business on your third day of employment services.*

More information regarding employment eligibility and the Form I-9 can be found on the U.S. Citizenship and Immigration Services web site. See <http://www.uscis.gov/portal/site/uscis>, enter "About Form I-9" into the Search field, and select the result item entitled "About Form I-9, Employment Eligibility Verification".
