Coastal Bend College (CBC) is hosting Kids College 2017 at the Beeville, Alice, Kingsville and Pleasanton locations. This year’s theme for Kids College is “Water is Precious”. Kids College was made possible through generous donations made by the Joe Barnhart Foundation and the Coastal Bend Community Foundation.

Students who attend CBC’s Kids College will be provided with instruction from professional staff from the College and community. In addition, students will have the opportunity to experience hands-on activities that will help them in their current academic careers and gain exposure of the pursuit of a higher education.

CBC’s Kids College will feature learning sessions in the classroom, hands-on activities in the labs, computer lab sessions and an ongoing investigation of different water resources. These are only a few of the things that students will participate in and/or experience throughout CBC’s Kids College.

CBC’s Kids College is open to students who have completed grades 1-5 by May 2017. Kids College will take place on June 12 through June 23 at all CBC locations. Kids College will be conducted from 8 a.m. until 3 p.m., with a parent presentation to be performed at 3 p.m. on Friday, June 23 and Friday, June 16. Early drop-off (7:30 a.m.) and late dismissal (5:30 p.m.) is available for students at a rate of $50 per week.

We look forward to meeting your student!
