

Directions to the George F. Elam Building at Coastal Bend College – Beeville Site for SAT Testing

You have a choice of where to park. (1) When you first get to the college – enter the main drive- that has a stone sign with “Coastal Bend College - Bee County Campus.” Go straight down the drive and then you'll make a left-hand corner at the back of the school. Once you make the left-hand corner - the 3rd building on the left - is the R. W. Dirks Student Services Building (#18 on map). It has red brick arches and looks a little different from the other buildings on campus. Once you park in the parking lot in front of the building or to the side of the building – you'll want to go to Building # 14 on the map (there will be a picnic table by the south entrance that you'll use for SAT testing). (2) Or you may park in the “E” parking lot.

Make sure you have Photo ID and SAT Admission Ticket with you when you come in for SAT testing.

Physical Address:

Coastal Bend College
3800 Charco Road
Beeville, Texas 78102
